

## News from Radlett

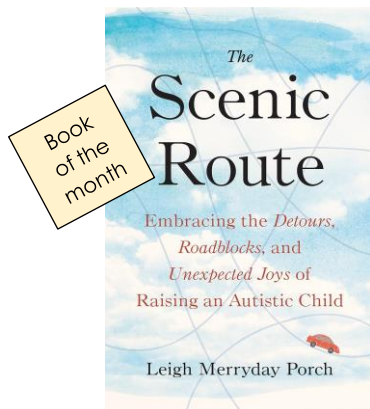

### Parent Network:

Thank you to all of you who came to our Parent Network Meeting. Thank you to Eliana for such a fantastic, informative session on your child's toileting journey.

If you have specific questions or would like more individualised advice please do not hesitate to get in touch.

This is my chosen book for this month, rather than reading it I listened to the audio version.

### The Scenic Route – Leigh Merryday Porch

This book, written by the mother of an autistic child, Leigh shares a personal insight with practical insight. This realistic and often humorous book details the challenges and joys of raising an autistic child.

I hope to see you all before the end of term.

Mary

### Dates for your Diary:

**4<sup>th</sup> July – Sports Day**

**22<sup>nd</sup> July – Bubbles Day**

**24<sup>th</sup> July - Awards Ceremony – 1.30pm**

**31<sup>st</sup> July – Last Day of Term – 1.30pm finish for pupils**

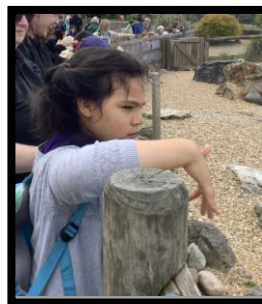

### Whipsnade Zoo:

Once again this year our friends at the Rotary Club invited some of our pupils to visit Whipsnade as part of their annual Fun Day.

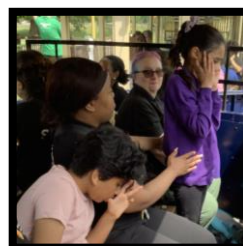

We had great fun seeing so many different animals. I think the penguins were the favourites!

As well as penguins we saw tigers, bears and elephants to mention just a few.

We took the train, which is always a good idea at the end of the day to rest our feet and legs.

Thank you to Kate and the team from the Aldenham Rotary Club for inviting us again this year.

Looking forward to next year!!!!

### Shine a Light:

Some of our pupils took part in "Shine a Light" at St Albans Cathedral recently. The Nave of the Cathedral was filled with music, colour and pure joy. Hosted by Electric Umbrella, pupils from around Hertfordshire came together to sing and listen to music, everything from Mozart to the Beatles.

It was so fantastic to see so many pupils joining together to celebrate music, dancing and clapping in a joyful way and in such a magnificent setting.

You can find more information on Electric Umbrella on their website.

### News from the Allotment:

As the weather improves our crops have been growing in both our school garden and allotment. We have started to harvest some of our produce to cook and eat at school.

### Splash Day:

As promised here are a few pictures from our Splash Day. This activity was chosen by our Student Council and was enjoyed not only by the pupils but the staff as well. Thank you to Chris for organising. Nothing like water play on a hot day.
